

Primary Project National Certification At-a-Glance

(details follow on page 2)

Review Certification Materials and decide if your school is ready for a certification visit (The *Primary Project Best Practices Rubric* is helpful in determining readiness.)

- The forms to be completed electronically and submitted by your school-based team for review can be found on our [website under Primary Project National Certification materials](#)
 - *Primary Project National Certification Application 2022-23* form
 - *Primary Project Best Practices Rubric 2022-23* form
 - *Certification Materials Checklist 2022-23* form and documents on the checklist
 - Letter from principal indicating support for the program and the certification visit/virtual meetings
 - Group data reports for the last full program year (*T-CRS; A-CRS; Professional Summary Report; Child Log; Student Demographic Report* or comparable documents, if using other measures)
- Other informational documents on the website to help with understanding the certification process
 - *Primary Project Standards 2022-23*
 - *Primary Project General Information for Certification 2022-23*

Decide which certification process you would prefer

- Review the *In-Person Process and Virtual Meetings via Zoom Certification Process Form 2022-23*.
 - Decide which process you would like to use for certification: an in-person visit or virtual Zoom meetings.
 - Complete the *In-Person Process and Virtual Meetings via Zoom Certification Process Form 2022-23* with your decision and the name and e-mail address of the person at your school who will be uploading your certification documents to your school's secure location.
 - E-mail the above form to Arlene Bobin (abobin@childrensinstitute.net) and Kathy Embt (kembt@childrensinstitute.net) by **November 8, 2022**.

Upload the certification documents

- Once Children's Institute staff has the *In-Person Process and Virtual Meetings via Zoom Certification Process Form 2022-23*, the person who will be uploading your documents will receive information about how to access your school's secure site so that the application materials can be uploaded by **January 27, 2023**.
- Upload the documents for review and once this is completed, contact Arlene Bobin with that information.
 - Folder 1 – *Primary Project Certification Application 2022-23; Primary Project Best Practices Rubric 2022-23; Principal Letter of Support*
 - Folder 2 – *Certification Materials Checklist 2022-23* and documents
 - Folder 3 – Group data reports

Plan/complete the visit/virtual meetings

After January 27, 2023, endorser assignments are made. You will be introduced to your endorser in an e-mail so that you can begin to schedule the in-person visit or virtual meetings. Your endorser will review application materials and may request other materials that are needed or may be helpful to the process.

- After your in-person visit or virtual meetings is/are completed, you will receive a survey so that you can give feedback about the certification process. We welcome your feedback!
