

Roadmap to NYS Pyramid Model Implementation Series

Would you like more information about becoming a New York State Implementing Program?

Consider joining us for this preparation series that will take you through each step of the process. We begin with an overview of the Pyramid Model and how it complements other NYS initiatives, next we take a look at what is involved in becoming an implementing program and finally we walk you through the application pre-planning tool. Once your application is accepted you are invited to an implementation Kick-off session.
